Love Story – Taylor Swift

[Intro]

C G Am F

[Verse 1]

C

We were both young when I first saw you

F

I close my eyes and the flashback starts

Am F

I'm standing there on a balcony in summer air

C

See the lights, see the party, the ball gowns

F

See you make your way through the crowd

Am

And say, "Hello"

G

Little did I know

[Pre-Chorus]

F G

That you were Romeo, you were throwing pebbles

Am C

And my daddy said, "Stay away from Juliet"

F

And I was crying on the staircase

G Am F G

Begging you please don't go, and I said

[Chorus]

C

Romeo, take me somewhere we can be alone

G

I'll be waiting, all there's left to do is run

Am

You'll be the prince and I'll be the princess

F G C

It's a love story, baby, just say "yes"

[Verse 2]

C

So I sneak out to the garden to see you

F

We keep quiet 'cause we're dead if they knew

Am

So close your eyes

G

Escape this town for a little while

[Pre-Chorus]

F G

'Cause you were Romeo, I was a scarlet letter

Am C

And my daddy said stay away from Juliet

F

But you were everything to me

G Am F G

I was begging you please don't go, and I said

[Chorus]

C

Romeo, take me somewhere we can be alone

G

I'll be waiting, all there's left to do is run

Am

You'll be the prince and I'll be the princess

F G

It's a love story, baby, just say yes

C

Romeo, save me, they try to tell me how to feel

G

This love is difficult, but it's real

Am

Don't be afraid, we'll make it out of this mess

F G

It's a love story, baby, just say yes

I keep waiting for you but you never come

E B/E A/E

[Verse 1]

E B/E

I can think of all the times

You told me not to touch the light

E B/E A/E

I never thought that you would be the one

I couldn't really justify

How you even thought it could be right

E B/E A/E

Cause everything we cherished is gone

[Pre-Chorus]

C#m F# B

And in the end, can you tell me if

G#m A A

It was worth the try, so I can decide

[Chorus]

E B/E A/E

Leaves will soon grow from the bareness of trees

A E B

And all will be alright in time

E B/E A/E

From waves overgrown come the calmest of seas

Oh you never really love someone until you learn
to forgive

Try as hard as I might

E B/E

But how can I try to hide

A/E

When every breath and every hour

E B/E A/E

I still end up thinking of you

[Pre-Chorus]

C#m F# B

And in the end, everything we have

G#m A

Makes it worth the fight

A
So I will hold on for as long

trees
